AMENDMENT TO CORRECT INFORMALITIES

Having received an Official Action mailed on March 30, 2007, the Applicant's attorney, David J. Clement, spoke with the examiner by telephone on May 8, 2007. During the telephone interview, an Examiner's Amendment to correct informalities as noted in the Official Action was discussed and authorized by the Applicant's attorney. The Applicant subsequently received a Notice of Allowability and an Examiner's Amendment dated May 8, 2007. After careful review and comparison of the proposed Examiner's Amendment to the original application as filed, Applicant has noted that several easily corrected informalities remain in the specification and claims. Accordingly, Applicant submits the following Response.

In the Specification

Applicant notes that, as authorized during the telephone interview, the Examiner properly deleted paragraph [0001] and its cross-reference to a related application.
